Maple Lake Township man dies from accidental fall

On June 10th, Maple Lake Township resident Mike Wurm, 51, passed away from injuries sustained after accidentally falling while trimming trees at his residence.

Wright County deputies ascertained that Wurm was trimming limbs off a tree in his yard while standing in the bucket of his skidsteer, and his chainsaw lodged itself into the tree. Wurm, in an attempt to dislodge the blade, fell from the bucket of the skidsteer, and suffered a head injury.

He was transported to the Buffalo Hospital's ER, to be airlifted for further treatment. Wurm, however, passed away during transport. The Wright County Sheriff's Office suspects no foul play was involved in the incident.

Highway 12 from Cokato to Howard Lake goes to one lane, starting June 25

Motorists who travel Highway 12 between Cokato and Howard Lake may encounter delays, as segments of the road are reduced to a single lane beginning Monday, June 25.

The lane closures will occur from sunrise to sunset, up to seven days per week, while crews replace guardrails at several locations.

Motorists approaching the daily work zones should slow down, be prepared to stop, and move over to give crews room to work safely. Motorists should also plan some additional time for travel, as delays are expected during peak travel times.

Crews will return in mid-July to resurface Highway 12 between Cokato and Howard Lake. More informa-

Buffalo City Council talks future downtown projects with community residents

By Rob LaPlante

Approvals for future city projects brought up questions and concerns from local citizens at Monday's Buffalo City Council meeting.

Roers Investments' application for a preliminary plat, PUD, and zoning district amendment for an 89-unit senior housing project located downtown was the main topic of discussion.

Council unanimously voted in favor of the preliminary plat, which City Planner Steve Grittmann made note that a preliminary plat is only for a lot layout, not the final document, which will be addressed at a later date.

The proposed development would include a four-story building, fronting the north side on Division St. East with minimal setbacks. The building would also

28th Amendment campaign comes to Wright Co. Comissioners for discussion

By Miriam Orr

"Big money in government is a bipartisan issue which tells us that that money buys the ultimate speaking time, and those who have it have the loudest voice," Ann Burns of American Promise stated in her presentation before Wright County Commissioners at Tuesday, June 18th's meeting. She continued, "Billionaires and their funding are influencing policy far more than the American voice is."

Ann Burns, along with Mary Beth Noll, presented support for a 28th Amendment to the Constitution of the U.S. They were seeking a resolution of support from Commissioners, asking them to weigh into the issue in the Wright County community and be aware of the issues of big money in government elections.

Burns stated that there are two problems that reside in the area of big money. The first is the fact that millions of dollars, whether from private parties

Say hello to the newly-christened 2018-19 Buffalo Royalty! A peacock of light and color, this display of fireworks was one of many experienced on Friday, June 15 over Buffalo Lake. The beach, hillside, docks, and carnival was packed with onlookers as the show exploded over the lake; a good time even in the heat. Another fun and explosive Buffalo Days concludes

By Miriam Orr, Rob LaPlante

Despite the heat, this year's Buffalo Days was an explosive success for the city and the community, spanning from June 10 all the way to June 17, Father's Day. With temperatures in the high 90s accompanying the city festivities, as well as an array of fun events, it was no surprise that the carnival, food stands, and sidewalks were busy with patrons.

Sunday, June 10, kicked off the celebration at the Buffalo Municipal Airport, as well as the Sturges Park Band Shell with summer pop songs, performed by BCO. The airport hosted its fly-in breakfast, annual air show, and the Wright County Car Club held its yearly show, as well. Men, women, and children gathered to watch the dizzying acts of Mike Wiskus and Craig Gifford, both competitive air showmen, while enjoying the pancake breakfast fundraiser and looking at classic cars.

On Monday of Buffalo Days, Buffalo Royalty "chilled" at the library, where they passed out ice cream treats to the public, while the library launched the summer reading program with Magician Bob Halbook. Later, Royalty participated in the Royalty Banquet at Huikko's Bison Creek.

On Tuesday, ages young and old gathered at the Sturges Park Bandshell to welcome The Teddy Bear Band, and later, KRWC hosted its yearly Medallion Hunt, where audiences listened for clues on KRWC/1360AM. Congratulations to Jennifer Bacik, who won the hunt by finding the medallion at the new playground located by the Methodist church.

The carnival arrived in town on Wednesday, with sparkling rides and promises of games, excitement, and bright lights. For $20.00 an armband, patrons were able to ride an unlimited number of rides, including classics like the Ferris wheel and the Tilt-a-Whirl. Also on Wednesday, Buffalo Royalty took part in a local food drive at the Dairy Queen, where donations were accepted in exchange for a cool treat during the evening.

By Thursday night, however, the heat was stifling. Drizzling rain and a humid evening welcomed children and their families for the 6:30 p.m. Kiddie Parade,

Good Neighbor Days in HL, June 21-24

By Miriam Orr

Beginning Thursday, June 21 through Sunday, June 24, Good Neighbor Days promises a good time for all ages – and you don't have to be from Howard Lake, either.

Most of the events will take place near Howard Lake's Fire Station, on 7th Avenue. New this year will be locations for the coronation and raffle drawing, which had usually taken place at the High School, though this year it will be held in a tent near the fire station, as the Herald Journal Reports.

Thursday will host a Queen's Tea, which begins at 2 p.m, as well as the Townie Block Party, beginning at 6 p.m. and running until 9 p.m. Highlights also include the introduction of royalty to the public, as well as the expanded farmers market. On Friday, a bounce house, bungee trampoline, and bonker ball will be present across the street from city hall and the fire station, starting at 5 p.m.

Also on Friday is the KRWC Road Show, starting at 5:30 p.m., followed by the Kiddie Parade at 6:15 p.m., which will begin at Troubles in Howard Lake. Participants are asked to arrive and prepare to line up at 6 p.m. The route begins at Troubles, heads south on 9th Street, and ends at the north exit of the fire station.

On Saturday, the 37th

Zambia fundraiser, June 24

Bridging Zambia will be hosting a Pancake Breakfast on Sunday, June 24 from 8:30 a.m. to noon at the Maple Lake Legion Club.

Bridging Zambia is a branch of Carol McBrady's "Action for Children – Zambia," and it is specifically designed to bring volunteers from the local area face-to-face with the children of Zambia.

The current need is to finish a housing project for the future volunteers who will come to work and stay on site at the farm. The current amount needed is $12,000.00, which will be used to purchase materials.

This will allow visitors to interact with the children, enriching all the lives of those involved. A free will offering is suggested.

If you are unable to attend, your tax-deductible contribution can be made online at www.afcz.org.

A taste of Homespun Poetry for sharing

THE CAGE

I am a trapped butterfly,
a cage of hands holding me.
Spread my folded wings to fly in the sun.
Spread the sun with my many colored wings.
I can do more for souls of others
if mine is free.
Beauty to free the mind through eyes
watching me.
Seeking meadowed lands by
photos of artist's hands.
But not in a cage of hands.
My colors dull, my soul aches.
Powder from my wings is lost,
my freedom of flight is tethered.
Freedom of flight to places of
light taken from me.
My hope fades with each
touch of closed hands.
Set me free, let me heal, let me live,
so I can be more.
I am the poet's rhyme, the singer's song,
the artist's color.
I am the troubled one's peace,
the smile to set a face.
So let me be - to be free
from this cage of hands.
Powerless in the closed hands but
powerful flying across lands.
Then let me share all beauty and color
with other's so much more.
Let my wings feel the sun, the rain
and touch the sky.
I am a trapped butterfly in a cage
of hands holding me.
Not knowing how to be free.

Victor Florell announces candidacy for Wright County Commissioner

U.S. Navy and Minnesota National Guard Veteran, and lifelong Wright County resident Victor Florell, today announced his candidacy for Wright County Commissioner. Florell is running in District 1, which includes the cities of Buffalo, Annandale and South Haven, and Albion, Buffalo, Chatham, Corinna and Southside Townships.

"I am running to be a new voice and bring a new vision to the challenges facing Wright County," Florell said. "As County Commissioner, I will analyze issues from the perspective of a husband and father, small business operator and parent of three school-aged children, to ensure Wright County remains a great place in which to raise a family, work, start a business, farm, enjoy our parks and open spaces, and live in retirement," said Florell.

A U.S. Navy Veteran and former Red Bull Infantry Division Sergeant in the Minnesota National Guard, Florell has deep Wright County roots on both sides of his family. "My grandmother lived in Buffalo and I spent summers at her cabin on Clearwater Lake in Annandale. My Dad owned two gas stations in Monticello, my Mom worked at Monticello/Big Lake Hospital, and my aunts and uncles are or have been Buffalo business owners," Florell said.

Victor Florell

Florell is the Manager of "The Rib Cage," a long-time catering and outdoor barbecue business founded by his father, Vance, which is located in Dayton. "As a Business Manager, I understand the importance of creating a climate in Wright County in which businesses can expand and grow jobs without high taxes and excessive regulations," said Florell.

Florell has a B.A. Degree in Political Science from the University of Minnesota, and is a member of the Buffalo Parks Advisory Committee. He and his wife Rebecca are parents to three children who attend area public schools, and the family attends St. Francis Xavier Catholic Church.

"I look forward to meeting residents while door-knocking their homes, farms and businesses, and welcome their ideas and suggestions on how we can make Wright County an even better place to live," he said.

The Victor Florell Volunteer Committee can be reached at 763-291-6315, by email at Florell4WrightCounty1@gmail.com or on Facebook.

Legislative Update

Neighbors,

The Vietnam War defined a generation and changed the lives of millions; not just those who fought in the war, but their families, their friends. As you know, when veterans returned home after serving they often did not return to the hero's welcome they deserved; instead, they returned to communities that were often conflicted – or downright hostile – about our involvement.

The Vietnam Veterans Memorial in Washington has helped heal some of those wounds by remembering and honoring those who served, and now you have an opportunity to view a traveling replica of it right here in the Twin Cities.

The Wall That Heals is a brand new, three-quarters scale traveling replica of the Vietnam Veterans Memorial in Washington D.C. From June 21 through June 24, The Wall will be at the state capitol. The visit is part of an initiative launched by TPT and PBS stations of Minnesota called Minnesota Remembers Vietnam. This project is designed to amplify the stories of veterans who served in Vietnam through community events, documentary films, and educational resources.

This traveling memorial will give every veteran who has been working to muster up the strength to visit the memorial in Washington an opportunity to begin the healing process in their own community.

In addition to the Wall, there will be a number of other exhibits such as a 53-foot mobile education center, with a timeline and additional information about the war; a Huey Helicopter, which was used by 10,000 members of the Armed Forces; a military museum exhibit, where attendees can see artifacts that soldiers carried; documentary screenings; and much more.

This is a public memorial, so I hope you will be able to attend an event. I will be speaking at the opening ceremony, but the full schedule is as follows:

- Thursday, June 21: 9 a.m., Opening Ceremony hosted by Don Shelby (Veteran Service Building Stage); 10 a.m., Reading of the Names of Minnesota's fallen (Veteran Service Building Stage); 5 p.m., Literature on the War community discussion (The Armory); 6 p.m., America's Secret War Screening and discussion (The Armory); and 8:30 p.m., Taps (Veteran Service Building Stage).
- Friday, June 22: 10 a.m., Reading of the Names of Minnesota's fallen (Veteran Service Building Stage); 4 p.m., An Open Forum for Veterans by Veterans (The Armory); 6 p.m. Perspectives Screening and discussion (The Armory); and 8:30 p.m., Taps (Veteran Service Building Stage).
- Saturday. June 23: 10 a.m., Reading of the Names of Minnesota's fallen (Veteran Service Building Stage); 4 p.m. Public Commemoration & Flyover (Veteran Service Building Stage); 8:30 p.m. Taps (Veteran Service Building Stage); and 7-9 p.m. Minnesota Remembers Vietnam: EPILOGUE; Hosted by Kevin Kling and Cathy Wurzer, with music provided by J.D. Steele and the MacPhail) Center for Music).
- Sunday, June 24: 11 a.m., Beyond the Divide Screening with filmmaker Jan Selby (The Armory); and 1 p.m. Closing Ceremony (Veteran Service Building Stage).

Karin Housley announces candidacy for U.S. Senate

Citizens,

My name is Karin Housley.

I'm a mom to four great kids, a grandma to two precious boys, a wife to Phil, a small business owner, and a state senator for Chisago and Washington counties. I'm also the Republican-endorsed candidate for United States Senate this fall, running for the U.S. Senate seat formerly held by Al Franken.

Minnesota has always been my home – and I wouldn't have it any other way.

Growing up, my dad would continually tell me to work hard, play fair, and do the right thing. Those words stuck with me as I got married, started my career, and raised my family. When I ran for the state legislature, I promised myself I'd never lose sight of my dad's wisdom.

Here in Minnesota, we have pride in our communities. We love our neighbor, we do what's right, and we aren't afraid to call out injustices. But too often, those Minnesota values seem to be forgotten by the 'political elite' – and it comes at the expense of our rural communities.

There's no question Greater Minnesota's agricultural economy is a major economic driver in our state. Our state's agricultural industry supports 430,000 jobs and contributes over $121 billion in economic activity each year. In the U.S. Senate, I will work with President Trump to make sure rural America – and your voice – is always heard.

As I travel all across our great state this summer and fall, I want to learn more about the challenges facing Minnesotans. Whether you're a Democrat, a Republican, or somewhere in between, I hope you'll come out and say 'hi' when I'm in your area. In a democracy, every voice matters – and that means you.

I'm running for U.S. Senate because I believe in our future. I believe in Minnesotans, I believe in the American Dream and with your support, we can pass that dream along to our future generations.

I'm looking forward to meeting you on the campaign trail!

Karin Housley
Republican-endorsed candidate for U.S. Senate

The 4 a.m. spot

You are simply not going to believe what happened to me this week.

Amid the flurry of events, excitement, and heat this week brought, Buffalo Days came out on top as another successful year closed in the books. You can see a full recap in this week's paper, of course (watch for my photos, which I worked really hard on – sweat and all!), but what I wanted to touch on was an experience that really dampened my mood on Saturday, at the parade.

Let's be clear, this is my first year celebrating Buffalo Days. Having hailed from Cokato for almost five years, I never really got out this way much while I was in college and living with my folks (save for the occasional business at the Sheriff's Office or the Government Center). So, working the event had me riled up into a swirl of excitement, anxiety, and uncertainty – with that big, 40-year career of Ed DuBois still firmly cemented in the back of everyone's mind, and expectations high, to say I was a bit nervous would've been an understatement.

I digress. So, on Saturday, I hauled myself out of bed at the ungodly hour of 4 a.m. after an exhausting Friday out working until midnight (big shout out to all you men and women who get up to work that early – my respect is yours). I lazily made myself some coffee, slipped on a sweatshirt, and rushed out the door in a groggy haze in an attempt to go into town to save my family seats on the parade route (a standing tradition since my youth). Doing so, I scouted out First Avenue, finally finding a seat not far from this very paper, in front of some pleasant apartment buildings. Laying out some blankets in a width that would be appropriate to save seats for four bodies, I hauled myself home in my Pontiac, and went back to bed.

Fast forward to 6 in the afternoon, after I've spent my day both wet with rain in the morning at the Fishing Klinic, and wet with sweat from an afternoon running around grabbing pictures. Managing to find a place to park, my family marched our chairs in search of my reserved, 4 a.m. spot.

Imagine my surprise when I found my blankets balled into a wet, filthy heap in the street, and a line of chairs – not belonging to my family – in my reserved space. It took me awhile to realize the blankets were mine, as a family situated into my reserved spot, until I finally got up the gumption to say something.

Mind you, I might be controversial here in my column, but I'm not an overly confrontational person when you meet me. With my camera and press badge out representing the newspaper, I politely inquired as to why my blankets were moved, only to be met with a statement that was less than true. Frustrated, hot, and already tired from a long day of work, I didn't even bother to argue that I had claimed the curbside spot first at 4 a.m. that morning, and that no one else had reserved them upon my arrival, so I slumped my shoulders forward as my parents tried to prove a point, they too aggravated from the heat and offense.

With a jibe from the family to "Just not, and just be happy," my family was introduced to the second row behind our

Letters to the Editor

We encourage letters to the editor about public matters. Please state your views briefly in your own words. Letters must be signed by the writer and include the legible name, address and daytime phone number of the writer. Only your name and town will normally be published. All letters are subject to editing for clarity, space and appropriateness of content. We reserve the right to refuse publication of any letter. Address letter as follows: Letters to editor, Wright County Journal-Press, P.O. Box 159, Buffalo, MN 55313.

During political election campaigns, we prefer to reserve space in the letters column primarily for our readers and not necessarily for the candidates or campaign committees. We ask that candidates and people who are active on their committees, please identify themselves when submitting material during a campaign. We will consider publishing that material elsewhere on the Opinion Pages. This is not a perfect system. Sometimes candidates feel entitled to respond within the letters column to what they see as serious false charges or significant factual errors made against them in someone's earlier letter. This newspaper tries to be fair in those cases. Do not wait until election eve to raise a serious new issue, when insufficient time remains for a reply.

Subscriptions: $40.00 year MN; $49.00 year USA

A 10 percent Senior Citizen discount, off regular rates, for ages 62 and over, if proof of age is presented.

Advertising Policy Notice to Advertisers

Policy on Errors - Normal and reasonable care is taken to avoid errors or ommisions during preparation and printing of the Wright County Journal-Press and The Drummer. Other than this care, NO guarantee of accuracy or performance is made. The best insurance against errors or omissions is for the advertiser to request a PROOF copy of the advertisement, which the advertiser can carefully check before publication. If special circumstances place greater than normal importance on a particular advertisement, the advertiser MUST call this fact to the personal attention of the publisher. The advertiser MUST personally read and approve a PROOF copy of that particularly important advertisement before the press run begins.

First Publication is Proof - The first publication of an advertisement shall be considered a PROOF copy to the advertiser, in all cases where that advertisement is ordered to run more than once. If an error is found in the first publication, the advertiser MUST notify the publisher at once, so that a correction can be made before any additional publications take place. The publisher is not responsible for the additional charges due as a result of any subsequent publications of an advertisement which contained an error in the first publication.

Cancellation or Rejection of Ads - The publisher reserves the right to cancel or reject any advertisement at any time.

Errors & Omissions - The publisher's liability on account of any error affecting any advertisement shall not exceed the amount of the price normally charged to the advertiser for that specific advertisement. The publisher's liability on account of the omission of an advertisement, properly accepted for publication, shall be limited to a refund of any money paid toward the cost of publishing that advertisement. If that advertisement was scheduled to run more than once, the publisher's liability shall be limited to a refund of any money paid toward the cost of the original plus any additional publications.

Errors in Prices - A price quoted in an advertisement is often considered an invitation to deal and not a guarantee to sell. If an incorrect price appears in your advertisement because of a printer's error, please contact the publisher immediately. The newspaper will provide a letter or affidavit acknowledging the printer's error. Display the letter in your store and refuse to sell at the incorrectly advertised price or terms. Advertisers who choose to continue selling at the incorrectly printed price or terms, do so at their own expense and the publisher assumes no responsibility to reimburse for such losses.

Errors in Copy - The advertiser agrees to indemnify and hold the publisher harmless in any litigation or claim arising out of advertising copy or content supplied to the publisher by the advertiser or his agency or agents.

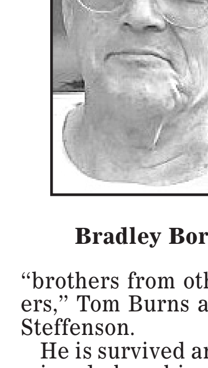
Bradley Borrell, 69



Bradley Borrell

Bradley James Borrell, 69, of Prior Lake, lost his brief but mighty battle with "Cancer of Unknown Primary" at the VA Hospital in Minneapolis on May 22. Brad was born January 16, 1949, in Minneapolis and graduated high school in Watertown, where he continued many great friendships through his life.

Brad was a proud United States Marine and was awarded the Purple Heart for his service in Khe Sanh, Vietnam, where he lost his right leg to mortar fire. He went on to work as a ready-mix truck driver for Model Stone (later Aggregate Industries) for over 20 years, and even after retiring would continue to show up in the mornings to bring his former co-workers donuts and shoot the breeze.

Brad was also proud to be a private pilot and loved flying many adventures out of Winsted. After a devastating accident where an airplane wheel exploded while he was working on it, he experienced an extremely serious head injury, losing his right eye and requiring multiple surgeries to reconstruct his skull and face. Most mortals would not have survived, but Brad came through and fought to regain medical approval to fly again; he was probably one of the safest pilots in the sky.

He also enjoyed target shooting with his buddies, garage sale shopping, and good food. He was a very generous, caring and faithful friend to many, and the best brother anyone could hope for.

Brad was preceded in death by: his parents, Bob and June Borrell, and his "brothers from other mothers," Tom Burns and David Steffenson.

He is survived and deeply missed by: his siblings, Robert Barry and Becky; nephew, Nicolas; and great-nephew, Wesley Borrell; along with many very close friends, including, Jan Taylor.

Memorial Mass of Christian Burial will be held at 11:00 a.m. on Friday, June 29, at the Immaculate Conception Church in Watertown with visitation from 9:30 a.m.-10:50 a.m. prior to the Mass at the church. Brief military honors and luncheon will follow the service.

Casual attire including Hawaiian shirts in Brad's memory are encouraged. Inurnment at Ft. Snelling Cemetery with full military honors to be held Monday July 2, at 10:15 a.m.

Memorial contributions may be made to the Cancer Research Institute (www.cancerresearch.org) or Experimental Aircraft Association (www.eaa.org).

Many thanks to Dr. Thomas Downs and the dedicated staff of the palliative care unit of the VA Medical Center.

Arrangements by Iten's Watertown Funeral Home.

City Council

Continued from Page 1

include underground structured parking, as well as surface parking.

Green space, parking concerns and obstructed views were some of the main concerns addressed by some downtown residents during Monday's public hearing.

Council is hopeful that the development will spur further redevelopment in the downtown area. Roers Investments market study also showed significant need for senior housing in the community.

Council voiced its own concerns for another Planning Commission matter, but approved the application by Paxmar LLC for a preliminary plat for a 20-lot subdivision, located at 4th Street S., to be called Buffalo Pass Second Addition.

A variance is being requested to permit a 20-foot setback from a wetland rather than 30 feet on one of the lots. The property was approved for R-3 Single and Two Family zoning earlier in 2018. Plans have been updated since the Planning Commission tabled action at the May 14 hearing, including movement of a proposed trail and lot lines on the south end of the proposed development.

One council member voted against the approval, favoring a through street over the proposed cul-de-sac.

Annexations

Annexation by Ordinance from Wright County for the annexation of 11 acres, located at 3700 Braddock Ave., into the City of Buffalo, was approved by Council. Annexation by Ordinance from TSM Greenbrier LLC for the annexation of 97 acres, located at Dague Ave., and 30th Street, into the City of Buffalo was also approved.

The public hearing voiced concerns about certain growth and development near the area and existing Buffalo Township properties, however, council reassured that annexation of the property will not create a burden on the city, and will increase the existing area's property value.

Other action

- Council approved the request for cousins, Maria and Nikki Schmidt, for temporary liquor licenses for upcoming weddings at Buffalo Civic Center. Maria's is June 30 from 4 p.m. to midnight. Nikki's is August 4 from 4 p.m. to midnight.
- A total of 31 residents were approved for appointment to be Election Judges. Training will be conducted to prepare for the Primary and General Elections.
- Donations received for the Flora program were made in the amount of $100 by Wright County Horticulture Society, $65 from the Rachel Nelson family, in memory of Arlyn Nelson, and $250 by the Scott Enter family.
- There will be no city council meeting on Monday, July 2 due to the holiday week. The next meeting will be Monday, July 16.

Buffalo Days

Monday's meeting opened with Mayor Teri Lachermeier thanking all those that made the Buffalo Days celebration a huge success.

"I got so many compliments," Lachermeier said. "The parade route, the carnival, and everything went smooth with no mishaps or complaints."

Lachermeier noted her excitement of the recent crowning of the new Buffalo Royalty, which features Ali Tokkesdal as Miss Buffalo, and Cecelia Miller and Gina Miller as Princesses.

Free summer reading and fun in the Park!

The playground at Methodist Church City Park is already getting lots of use this summer, and now your kids can come for more than just play!

Every Wednesday from June 20 through August 22, from 9:30 a.m. to 10:30 a.m., volunteers will read stories aloud. There will be a different guest reader/theme each week, starting with Dr. Seuss on June 27, and the Rodeo Queen, who read on June 20. Feel free to come dressed up for the theme if you'd like!

Older kids are welcome to bring books and read on their own if they prefer. After the story time, there will be activities and playtime, and snacks will be served. This is a free program!

Also, there is a new Little Library onsite for adults and children to borrow books for reading here or at home!

Volunteers will be focused on reading so direct child supervision is not provided, but all are welcome to bring their kids and come and enjoy! These events will be held indoors if raining.

Phone and Internet Discounts Available to CenturyLink Customers

The Minnesota Public Utilities Commission designated CenturyLink as an Eligible Telecommunications Carrier within its service area for universal service purposes. CenturyLink's basic local service rates for residential voice lines are $15.96-$18.76 per month and business services are $34.61-$43.29 per month. Specific rates will be provided upon request.

CenturyLink participates in a government benefit program (Lifeline) to make residential telephone or qualifying broadband service more affordable to eligible low-income individuals and families. Eligible customers are those that meet eligibility standards as defined by the FCC and state commissions. Residents who live on federally recognized Tribal Lands may qualify for additional Tribal benefits if they participate in certain additional federal eligibility programs. The Lifeline discount is available for only one telephone or qualifying broadband service per household, which can be on either wireline or wireless service. Broadband speeds must be 15 Mbps download and 2 Mbps upload or faster to qualify.

A household is defined for the purposes of the Lifeline program as any individual or group of individuals who live together at the same address and share income and expenses. Lifeline service is not transferable, and only eligible consumers may enroll in the program. Consumers who willfully make false statements in order to obtain a Lifeline discount can be punished by fine or imprisonment and can be barred from the program.

If you live in a CenturyLink service area, please call 1-888-833-9522 or visit centurylink.com/lifeline with questions or to request an application for the Lifeline program.

County Board

or artificial entities (businesses) has the largest voice in policy, and thus, influences politicians. The second shows just how exactly democracy is getting out of government: amending the constitution.

The call for a 28th Amendment begins with a Supreme Court ruling, starting in 1976, which made two underlying claims. One, that big money had a place in government by funding elections and campaigns, and two, that "artificial entities" were given basic human rights, and seen in the eyes of the Supreme Court just in the same way individual citizens are.

American Promise estimates that on average, since 1976, election campaign spending as increased tenfold, and that billions go into elections each and every term, and that is not even accounting for state elections, or elections at a local level.

"This is a bipartisan issue," Burns shared again, "that affects both Republicans, and Democrats, regardless of their political stance. The issue is evident that big money is used to overtly influence policy, and that if you aren't funding with millions of dollars, your voice is lost in government."

The American Promise movement stated that they "were against mudslinging and increased spending on elections, which influenced policy more than the American people, and also that they did not want the issues already existing to escalate. Burns stated that across the country, the movement has been rallying communities, and while they have enough attention to matter nationally, they still had much work to do to make sure the movement was taken to the federal level.

The amendment to the constitution, while not explicitly defined by American Promises' presentation, will undo much of the claims of the ruling made in 1976 by the Supreme Court, and ensure that the voice of American people is not lost under the demands of those made with big, industry dollars. Noll stated that with the amendment, representatives at a state and federal level will be compelled to communicate with the public more frequently, and will require they branch away from big industry's dollars and listen to the whole of their people.

Commissioner Charlie Borrell inserted his stance against the movement, concerned that the amending the Constitution would, further down the line, deprive citizens of the right to donate however much money to whichever cause in government they are passionate about, and would demean that funding.

Borrell stated that he was concerned that the new amendment would suddenly make the donations of private citizens, and their contributions to funding not only campaigns, but causes they support, irrelevant.

Commissioner Darek Vetsch stated his support for the amendment, more interested in the fact of giving local voice to citizens, verses industrial entities. He disagreed with Borrell, stating the by amending the constitution in this way, it ensures that people have a voice of dollars. He countered Borell's statement that this issue didn't seem fully bipartisan, stating that it was an issue on both sides, and not an agenda of one entity over the other.

In light of a request to pass a resolution, Commissioner Christine Husom stated her uncertainty on the matter. "I think this is a really big issue," she started, "and I agree that big money is an increasing problem, but I'm not sure that I know enough and am confident enough to make an informed decision on this today. I will abstain from voting for a resolution."

When asked, Commissioner Mike Potter expressed his concern of the lack of information regarding the issue, and its presence in local government. "I don't feel like this is necessarily a county issue and I'm afraid that when it gets where it wants to go, it'll get stuck in Committee at a federal level, and just for lack of a better term, die a natural death. I want more facts, more figures, and more time to think this over to make an informed decision myself."

American Promise reassured the Board that they would return with more information for the Board, as well as make efforts to reach out individually to answer questions, should the need arise. Vetsch made a motion to pass a resolution, though it died for a lack of second.

Other Items:

Auditor/Treasurer's Office: The office asked for the transfer of a tobacco license for Mid-Country Co-op, formerly known as Mark's Service, in Waverly. He also requeted the adoption of preliminary findings regarding a full system repair of County Ditch 10, where Matt Detjen explained that ditches, by law, required repair and oversight by the County, and that the ditch itself is just south of Howard Lake. Measuring approximately 10.6 miles of open ditch, the last repair efforts made on the area dated back to the 1980s.

"Doing nothing in this area really isn't an option," Potter explained, "Since we are the drainage authority for county ditches, the public should know that we are required by law to maintain these areas, and money is going into these projects because they are necessary concerns of the county."

Borrell spoke to the matter of state funding and grants given in the area of maintaining ditches within not only the state, but across the nation, and that such programs exist to help alleviate some of the mandated obligations, like ditch repair.

Also requested was the appointment of engineering firm I&S Group, Inc. to begin preparation of plans and specifications within nine months of the preliminary findings order, while also submitting a filed report in this area. All three requests of the Auditor/Treasurer's office were approved unanimously.

Sheriff's Office: Business Manager Shawna Athman, of the Wright County Sheriff's Office, along with Captain Sean Deringer and Lieutenant Matt Triechler, presented a plaque of recognition to Wright County United Way, for their donation of $5,000 to the Sheriff's Office. Athman stated that the donation will be used to further the medical training of deputies, who are often the first to arrive on scene to emergencies. On average per year, Athman stated that Office responds to approximately 4,000 medical calls.

Initiative Foundation: Carrie Tripp, Vice President, presented a recap of 2017's yearly activity report for the Initiative Foundation, which helps to provide necessary service to support citizens not only in a cultural aspect, but also in the area of basic need. Tripp stated that they accomplish this through a thriving grant process, which Wright County has been an active recipient of, and that in the unfolding of the year they hoped to increase efforts of grant advancement, while also working to advance generations of leaders, while providing training within the community. Commissioner Mark Daleiden thanked the Foundation for their consistent, hard work with the County, as well as their active presence within the community.

Highway Department: Highway Engineer Virgil Hawkins request the award of contract number 1805, regarding the 2018 Street Light Improvement Project be given to Design Electric, Inc. The low bid, made by Design Electric, totaled in the amount of $36,777.00, and was the only bid received during the open bidding time. The project will repair lights in Delano, along Hwy. 17, as well as Hwy. 75 in Clearwater.

Also requested was the award of contract number 1809, which includes the construction of a low-speed roundabout in Maple Lake, along CSAH 8, and south of Division Street. Bids were received on May 14, with the low bid coming from Landwehr Construction, Inc., in the amount of $619,390.68.

Parks and Recreation: Scheduled with Director Marc Mattice was a committee of the whole meeting in July, which will discuss the department's work regarding a number of different areas, as well as a presentation of completed projects. The meeting was set for July 9. Requested was the adoption of a sponsor resolution related to a Parks and Trail Legacy Grant application, which the Board approved unanimously. Also requested was the award of contract number 1810, regarding the paving of an off-road trail off CSAH 12, which Mattice said was currently over budget.

Mattice presented the option that to offset the increased cost, the County could move to reducing the 3 inch pavement to a 2.5 inch spread, which is cheaper. Husom stated her concern with this suggestion, as did Potter, who thought that the spread should remain at 3, as to not have problems arise in the future. Highway Engineer Virgil Hawkins spoke to the matter, stating that an engineering recommendation would be to remain at 3 inches preferably, though 2.5 could be managed. The Board elected to stay at 3 inches, and continue with the project.

Planning and Zoning: Sean Riley, Administrator, presented before the Board findings regarding amendment 18-2 to the Land Usage and Zoning of the Wright County Code of Ordinances, as well as the adoption recommendation, in addition to minor grammatical changes to amendment 18-4. Changes to 18-2 are in regard to Commercial property understandings, and clarify the need for conditional use permits to structures which fall under the ordinance.

spot, wet blankets and all. Thankfully, as we took seats – all of us less than happy – a kind woman to my father's left elbowed him good-naturedly, and reassured us that yes, we had saved the spots first, and that our blankets had been there previously (since 4 a.m. as a matter of fact!)

Again, I am urged to remind the community that respect is key. It's necessary to keep a societal community in good standing and well established. Imagine if we were all just rude and condescending to everyone, jibing at them to "Just don't be upset, just be happy," all the time, lacking the consideration to realize their position or frustration. It wouldn't be a happy society, would it? Honesty is the best policy – and I'll admit, while we didn't have smiles on our faces, we, however, didn't feel very welcomed as newcomers or respected.

We are a community that thrives on the good-neighbor platform. Our city's slogan is literally, "Welcome home," which implies that the city is gathered to greet you at your coming, and is ready to treat you with respect and kindness, and wants you as a member of the community.

This was my first Buffalo Days, and my family's first visit to the city's parade. I'm a public servant working for a newspaper, to report honest news and keep the community in the know – and let me just say, I was discouraged after this encounter, and I'm sad to say that my family isn't too excited about sitting through another Buffalo Days parade in the coming year, though maybe with some persuasion, I can bring them around.

Make sure to respect other people and their position, even if you aren't on the same page. They are people with emotions, too – and you never know what will come of the exchange. First impressions are just that, first – there's no second take. You get one chance to audition in the role of first impression, so be sure to study up for the part.

To the offenders who dampened the mood at the parade, I apologize you had to see my family upset, but I do not apologize for being right. I take pride in knowing that my family name was the bigger person. And I forgive your action of offense. Perhaps next year, you'll have the chance to exercise respect, and try again. That's my hope.

As for Buffalo Days, I can confidently say I made it, hot under the collar and all. Looking forward to next year, and all the growing experiences to come – even the 4 a.m. spot.

To conclude events, the Pee Wee Reese Baseball Tournament at Yeager Field will begin at 10 a.m., with the Grande Day Parade beginning at 2 p.m. To cap off Good Neighbor Days will be the crowning of the new Miss Howard Lake, beginning at 6 p.m., in the big tent near the fire station.

Buffalo Days

where characters like Spider-Man, Rapunzel, pirates, and fairies were all present to make their way down the walking path around Buffalo Lake from the library, finally ending in Sturges Park. Audiences watched the array of kids from food stands, the splash pads, and the sidewalks. And, earlier at the library, caricatures by Jenny Beck were a big hit, accompanied by the library's book sale. At Sturges Park, the Buffalo Sings amateur singing contest was a success, and congratulations to Second place winner Danielle Ruhr, and First place winner Sarah Burke for your hard work and wonderful performances!

KRWC was again at Sturges Park on Friday, which was busy with not only carnival-goers and audiences, but also many swimmers and beachgoers. Buffalo Lake was busy later in the evening, as well, as boaters, swimmers, and other members of the community gathered for 10 p.m. fireworks, which were explosive over the lake, and brought many cheers and a lot of applause, despite the warm night.

Approximately 400 kids attended this year's 23rd Annual Fishing Klinic For Kids (FKFK) event on Saturday, June 16 at Sturges Park and Buffalo Lake.

Numbers were down about half its usual total, but considering the weather, FKFK Founder Jim Wedell said the morning was a success.

"On a sunny day with bright blue skies, we're usually around 800-900 kids," he said. "But 400 is a tremendous turnout, considering it was a rainy and miserable day. At one point, you could barely see across the lake."

Some of the featured prizes awarded to this year's winners included: A total of 15 rod and reels from H & H Sports in Maple Lake; a total of 40 rod and reels from the National Professional Anglers Association, as well as NPAA t-shirts; Tackle boxes, rod and reels, and mug holders from Cabela's.

Wedell would like to thank everyone that contributed to this event, especially the sponsors.

With the rain falling throughout the day, Wedell especially wanted to thank all of this year's participants.

"The seminars were completely full," Wedell said. "That was the neatest thing for me. Normally when it rains, you have a bunch of empty bleachers. But people were sitting with their umbrellas and raincoats in the rain, all listening to the speakers. I have never seen that before."

The University of Minnesota's Raptor Center had audiences captured while learning and asking questions regarding birds of prey in Minnesota. A large Bald Eagle was present during the lecture, where a professional handler shared facts regarding the birds in the state.

Later on Saturday, as skies cleared and the sun made an appearance, was the Buffalo Parade down First Avenue. Marching bands from around the state gathered to participate in the city's parade celebration, where audiences watched from heavily populated sidewalks and children gathered candy in a frenzy. Highlights of the parade included Buffalo's H.S. Marching Band, Buffalo Royalty, Fire Departments and Police Departments, as well as Buffalo's Mayor, among others. For the band competition, the Grand Champion was Milaca, which was also awarded the Best Drum Majors, Best Color Guard, and Best Winds sections.

For the position of First Place, Class A, was Lake City, and Second Place, Class A, was Benson. First Place, Class AA, was St Francis, which was also awarded the Best Drum line. Second Place, Class AA, was Sartell-St. Stephen.

To conclude festivities, Sunday hosted a community worship service at Buffalo Covenant Church, as well as a continental breakfast, where members within the community gathered together to worship and serve at the Sturges Park Band Shell. Also on Sunday was the Pigs and Rigs BBQ cook off and car show at the American Family Insurance and Smokin' Monkey parking lot.

Finally, starting at 6 p.m. was the Royalty Coronation, where 2017-18 Buffalo Royalty members Princesses Hannah Wallenta, Noelle Green, and Miss Buffalo Ashley Weber, relinquished their crowns to new Princesses Gina Miller, Cecelia Miller, and Miss Buffalo 2018-19, Ali Tokkesdal.

Buffalo endured through heat and rain this year for Buffalo Days, and despite the finicky weather, it was a beautiful time for the city's fesitivities. And, once again, as the community closes another year's Buffalo Days, we look ever forward to a coming year of growth, fun, and unity that makes Buffalo such a welcoming, special place.

So long, Buffalo Days. We'll see you next year.

The Buffalo High School Marching Band, "The Herd," is the first band to perform in the Buffalo Days parade. Eight other bands including Alexandria, Benson, Lake City, Milaca, Sartell-St. Stephen, St. Anthony, St. Francis, and St. Michael-Albertville were judged and ranked for their performances. The extra money was used to make repairs at Pyykkonen's home and then for other charities of his choice. (Photo by Doug Voerding)

Kitchen Delights by Darlene Dixon

I wanted to plant some hostas in my backyard flower beds. The soil was wet from the rain we got the night before, so I thought it would be very easy to dig holes in the soil. I could not get my thin blade shovel into that hard dirt. I think Hanover has the worst rocky, hard, dirt one could ever find.

So today, I will leave this project for my son. He has the muscles that I don't have.

Baked Chicken Legs

6-8 chicken legs
2 c. Bisquick®
1 tsp. paprika
1 tsp. seasoning salt
1/2 tsp. pepper
1/2 tsp. dried basil
1/4 tsp. garlic salt
1/4 tsp. onion powder

Rinse the chicken legs in water. In a large bowl, combine the Bisquick® with the rest of the seasoning ingredients. Roll each chicken leg in the mixture. Place side by side in a roaster. Add 3/4 cup water to the pan. Bake at 350 degrees, covered, for 1 hour; turn legs over, bake, uncovered basting with juice from roaster and turning, for another hour, or until fork tender.

Yield: 6 servings

Chicken Cordon Bleu

4 chicken breasts
4 slices corned beef, sliced thin
4 slices Swiss cheese, sliced thin
10-3/4 oz. can cr. of mushroom soup
1 c. sour cream
1/2 pt. mushrooms, sliced

Debone, skin and pound chicken (between wax paper). Each will make two. Cut corned beef and cheese slices in two. Place a slice on each chicken piece. Roll up; secure with toothpicks.

Place in a casserole. Combine soup and sour cream together. Add sliced mushrooms. Spoon mixture over the top. Cover and bake for 1 hour at 350 degrees. Baste with the creamy sauce. Bake for 1/2 hour longer, uncovered.

Yield: 8 servings

Ham & Rice Salad

3/4 c. Minute Rice®
1/2 tsp. salt
3 c. water
3/4 c. salad dressing
1/2 tsp. yellow mustard
1 T. lemon juice
1 tsp. grated onion
8 oz. can crushed pineapple, drained
1-1/2 c. diced, cooked ham
1 c. finely diced celery
Salt & pepper, to taste

Cook rice with water and salt until tender. Rinse and drain. Combine salad dressing with mustard, lemon juice, onion, pineapple, ham, celery. Add the salt and pepper. Mix, add the rice. Chill until ready to serve.

Add-ins: Chopped water chestnuts, sliced ripe olives, grapes.

Yield: 8 servings

Simple Angel Food Bars

1 pkg. 1-step angel food cake mix
20-22 oz. can lemon pie filling
1 c. flake coconut

Combine the three ingredients (just stir together). Pour batter into a greased 9x13 inch pan (for thinner bars, use a 10x15 inch pan). Bake at 350 degrees for 25 minutes (9x13 pan) or 20 minutes (10x15 pan). Don't use a dark pan to bake these bars!

Peanut Butter Dream Bars

CRUST & TOPPING:
2 c. quick oats
1-1/2 c. flour
1 c. chopped peanuts
1-1/4 c. brown sugar
1 tsp. baking soda
3/4 tsp. salt
1 c. butter, melted

Combine oats, flour, peanuts, brown sugar, baking soda and salt. Add the melted butter. Mix together until resembles coarse crumbs. Reserve out 1-1/2

Kaminski is the current branch manager for Buffalo's KleinBank. He has volunteered for almost 20 years with the scholarship pork chop dinner, has helped coach youth sports in Buffalo and Waverly, and is an active member of the Beyond the Yellow Ribbon Committee, the Knights of Columbus, and the Rotary Club. The Fishing Klinic for Kids, hosted on Saturday, June 16, was wet for the beginning hour of the event. However, once skies cleared, the University of Minnesota Raptor Center held a presentation with a bald eagle, to answer questions and lecture on the importance of birds of prey in the state. Nominations Open for the 2018 Wright County Committee Elections

The U.S. Department of Agriculture (USDA) Farm Service Agency (FSA) encourages all farmers, ranchers, and FSA program participants to take part in the Name County Committee election nomination process.

FSA's county committees are a critical component of the day-to-day operations of FSA and allow grassroots input and local administration of federal farm programs.

Committees are comprised of locally elected agricultural producers responsible for the fair and equitable administration of FSA farm programs in their counties. Committee members are accountable to the Secretary of Agriculture. If elected, members become part of a local decision-making and farm program delivery process.

A county committee is composed of three to 11 elected members from local administrative areas (LAA). Each member serves a three-year term. One-third of the seats on these committees are open for election each year. County committees may have an appointed advisor to further represent the local interests of underserved farmers and ranchers. Underserved producers are beginning, women and other minority farmers and ranchers and land owners and/or operators who have limited resources. Other minority groups including Native American and Alaska Natives; persons under the poverty level, and persons that have disabilities are also considered underserved.

For Wright County FSA, LAA-1 will be taking nominations. LAA-1 represents the townships of Buffalo, Monticello, Otsego, Rockford, Saint Michael, and Silver Creek. If you reside in one of these townships and are interested in running for the Wright County Committee, please submit a FSA-669A, Nomination Form for County Committee Election. Or you can nominate a person who resides in LAA-1, this person would need to agree to be nominated by completing some information on the FSA-669A. If you have additional questions about the nomination process, please contact the Wright County FSA office at 763-682-1982 ext. 2 or peggy.read@mn.usda.gov.

All nomination forms for the 2018 election must be postmarked or received in the local USDA service center by August 1, 2018. For more information on FSA county committee elections and appointments, refer to the FSA fact sheet: Eligibility to Vote and Hold Office as a COC Member online at: www.fsa.usda.gov/elections.
