

A MAZE FOR TWO TO PLAY

RaisingOurKids.com

Jane thinks her road to the beach is better than Bill's road. Choose which car you want to ride in. Start the game at the car. Use a pencil to follow on the line. When the first player's line ends the second player gets his turn. Then the first player starts again. Start from the car each time. The one who has a bad accident loses the game. The one who gets to the beach first wins.
